

## Disclaimer for Map Publication:

The maps of licensed concession boundaries (hereinafter referred to as “the maps”) published herein by RSPO are voluntarily provided by RSPO’s grower members in line with RSPO’s continuous efforts to enhance transparency of its members’ operations within the industry. These maps are published on behalf of its grower members, as declared and represented by its grower members to RSPO, and are solely intended for informational and illustrative communication purposes only.

While care was taken in the publication of these maps, the source data, classification of the concession maps and legal classification of a concession area and/or boundary under any national laws depicted by these maps have not been verified independently and are solely published pursuant to information given by each grower member as to the area within which a grower member carries out its operations.

RSPO do not guarantee and hereby explicitly disclaims any representations and warranties as to the accuracy, visual or descriptive quality, timeliness, reliability or completeness of the maps and data. RSPO assumes no responsibility and does not warrant or make any representations regarding any use of or any action in reliance on the information published herewith. A user or any party relying or purporting to rely on the maps should strictly exercise judgment in all use of all content made available by or through these maps, including but not limited to, seeking independent verification of the information published herein or by contacting the grower member directly for verification of the information contained in the maps.

For the avoidance of doubt, each grower member is solely and directly responsible for ensuring that the data provided to RSPO is current and reflects its concession area. It is also the sole and direct responsibility of each grower member to inform RSPO of any changes to its concession boundaries in order for RSPO to correspondingly update the publication of the maps. These maps are therefore not updated on a real time basis and are published on an “as is” “as available”, “with all faults” basis and without warranties or representations of any kind by RSPO, either express or implied.

RSPO does not accept responsibility for errors, omissions, or positional inaccuracy of the maps. Please contact the RSPO secretariat for any reports of potential errors or omissions to help us consider the matter.
